For a portion of the present building - accomodating 90 students -, a rent of Rs 12/- is now paid. It has not been stated what additional accomodation is going to be provided for the additional 28 Rs. rent now proposed. Unless extensive additions have been made to the building - a portion alone occupied by not very small - about which the I. SIR,

With reference to Government Order No.1304-5/Edn.42-15-6 dated 14th September 1915 sanctioning the Shankarapuram School, Bangalore City under the Scheme of Compulsory Education, I have the honour to inform you that the strength of the school has gone up to 130 and the present accommodation is sufficient for only 90 boys. It has therefore become necessary to engage additional rooms both for the large number of boys already attending the school and for others who have been seeking admission. Additional accommodation can be had in the building in which the school is now located and for which a rent of Rs.12 per month is being paid. The landlord demands a rent of Rs.40 per month and this amount is fair, considering the prevailing rates of rent in the locality. I request that Government may be pleased to sanction an additional rent of Rs.28 so as to make up Rs.40 with effect from the date of occupation.

I have the honour to be,

Sir,

Your most obedient servant,

M. Shama Rao

Inspector General.
